Belgium, 1 June 2012-06-01

Mister James M Peck,

Yesterday I called Epiq system, because i don't understand nothing about papers they send me in Belgium my <sup>in</sup> EX office  
ce, I am living in Tenerife since November 2010 (paper annexe)  
since the ARNAQUE of Citibank Waterloo, who has taken my SHARING count to buy the "notes!!! I don't know what it is" <sup>of</sup>  
this moment.

SO a man said (sorry for my English I speak French) that because an 'invalid or no blocking number LPS!!! Claim I will not receive  
undetermined total claim, dollars, it is 51000 euros !! I wrote them, a lot of stamps of problems, because now I have no more money  
I leave my country Belgium and abandoned my old mother of 93 years, I can't no more pay my taxes!! So I am in canary island  
is more cheap, I have 62 years I have worked all my life to cure palsy children and now, the criminal bank of Citibank has STOLEN  
my little money!!

Now, by stress I have cancer of skin, all my back is open, and no cicatrization possible, says the professor Henen in dermatologic  
problem of money is not recuperated. So certainly you don't care of my case like all this thieves of Sachsbank and the "Polson!" No  
word is in problems because this wall street of "merde" in French

YOU are judge, like my friend who is attorney general in Brussels and his wife, judge for the children and you have the power to  
the honour and no a second time HUMILIATION, to loose this judgment.

Now I will never buy a stamp for USA again.

The man of Epiq said me, take a lawyer! Never! I prefer to give the rest of my money to the Mafia to break the teeth of the manager  
liar and said me it was a sharing count; I have no children so I know that god is with me and not with this criminals, so I will have  
revenge before I die to this liars of financial people.

If I don't receive my money back I swear, god see us, that never I will be honest and I will teach the malhonesty to the children.  
I am FURIUS and I am able to do a lot of things against the people concerning in this dramatic story.

How America is able to ask to victims a paper LPS that Nobody knows what it is!!!! In Europe, Belgium, and write undertermi  
when I wrote "recommandé by post and spend a lot of money for stamps, and become more sick when I receive papers in english  
Maybe you laugh about 51000 euros, you receive certainly this by month, but me I have put a lot of children very heavy stand up  
bed, take all there articulations, mussels between my 22 years to my 60 years !! and for that I have to leave my country SHAME  
, God will punish them very soon.

I hope that the island canary Palma when this island fall will do a wave of 900 m to kill all this people of Wall street, it would be  
wonderfull for me. I do the cards and I am witch, I see the future when it is difficult, and I know that all the American who pretend  
they believe in god, to go to the church to show only the new clothes and not because they have a "honorable behaviour"  
Imagine, all this money gone, who has taken ?? it is in guns, in nuclear, in stupid things to see the moon and people die, no food,  
Afghanistan for the burka of the women,, I don't believe in it /

Now I am sick to continue all what I have to say, I thought that American people were good, they have saved us Hitler, an  
father who was in the army with the English and now he is on the honour grass of the cemetery, but now I know that only God is  
here in Belgium, they said that Citibank was not responsible!!!! Justice? I laugh.

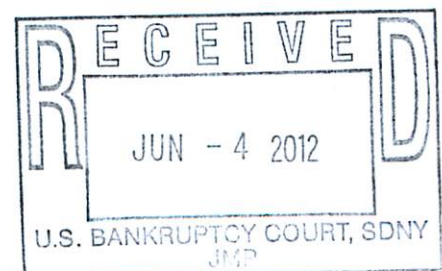

I want to vomit, I know that there is too much corruption in politic, what can we do? I understand people deseperated, like a te  
Nivelles who take in ostage the family of the manager of the bank who has stolen his money, working hard in a school for little  
people who like bonus without to do nothing, have a life luxurius

So I hope that GOD will influence you and that you will be impartial, it is for the future of your family.  
Think that may be, somebody will take all what have your family and that you will depend of an "invalid or no blocking number  
Claim" if you know the signification of that, please write me I will not die stupid; LPS!!

Sincerely, and sadly yours

Jeanne marie maltaux ex physiotherapist for the school of 400 palsy children of the Belgian ministry of education.

Sorry for my American.
